We, at Azizi Developments are more than just a recognized leader in the Real Estate Development industry. We are devoted to the principle that everyone deserves affordable, quality housing and we are committed to working with neighborhood leaders and government officials on broader community revitalization efforts. Azizi Developments believes that each and every project is a portrait of the company as a whole, and therefore our mission is to autograph each venture with excellence. By merging talents of seasoned professionals experienced in development, construction, marketing, sales, leasing and management, we continue to establish ourselves as one of Dubai's leading real estate developers. As experienced developers, Azizi Developments has increased our land and income producing property inventories. We have also begun to diversify globally by extending into growth markets around the country and by broadening our product mix into additional market segments and price points. With our extensive network of relationships and our strategic partners, we are able to locate properties in growing areas with significant potential to increase the value for our clientele.
